Term One, Week 8 - Sunday 22 March 2020

Dear Parents,

As you can appreciate the Covid-19 Pandemic is an ever-evolving situation. Please take note of the following:

#### **Alert Level 2**

- Please do not come to the school if you are over 70, or have underlying health problems, especially respiratory illnesses.
- Please do not come to school if you are sick or bring sick family members with you into the school.
- Please keep a physical distance of more than an arm's length from our staff, other parents and children.
- Please do not come to school if you have been in contact with anyone who has travelled or has attended events that have had confirmed cases.

#### **Hygiene**

- It is critical you teach your child, and practice at home, correct hygiene practices. This includes not sharing equipment and toys between siblings. We are restricting the ability for children to use other children's equipment in the classroom.
- We only have enough hand sanitiser for our pupils and staff, please do not use it if you are dropping off or picking up children.

#### **At Home Learning**

Please let us know if you are keeping your children at home and for how long. We recommend you visit and contribute to this Facebook page:

New Zealand Parents Home Teaching Support

It has been set up by two Tinwald School Parents, thank you to Kyle and Anita for doing this.

Keep safe

Tinwald School Staff
