## **Colour Your Day-Friday 13 March**

Dear Parents,

This Friday we are remembering the victims and families affected by the Christchurch tragedy a year ago. We have chosen to join in with the national Colour Your Day campaign. Children are being encouraged to wear their house colours all day and for when they take part in the Duathlon.

Children can also contribute to the Colour Your Day by bringing a gold coin donation – this is then given to St John New Zealand.

We will begin the day with a Celebration Assembly at 9.15am. Jo Luxton MP has been invited to this assembly. During the assembly there will be a minutes silence observed in respect of the tragic events a year ago. Rooms 2 and 11 will be presenting at the assembly and leadership badges will be presented as well.

The Hutt Syndicate Duathlon begins at 11am, followed by a shared lunch and you are all invited to have lunch with your children. The Arrowsmith Syndicate Duathlon begins at 1pm and school will finish at the conclusion of this event.
