Term 1: Friday 24 March 2023

Term Date Information

Our term finishes on Thursday 6 April at 3pm. This is due to Good Friday being the following day.

Term 2 begins on Wednesday 26 April at 8.55am. This is due to a teacher only day taking place on the Monday and ANZAC Day on the Tuesday.

Year 5 and 6 Camp to Blue Skies – Kaiapoi

Next week our Year 5 and 6's head off to camp at the Blue Skies Campground in Kaiapoi. They leave school on the Tuesday and return on the Friday. Parents of children in Years 1-4 would be wise to avoid the main gate area outside the office for drop offs as it will be very busy with Year 5/6 children, adults and vehicles.

Parents of campers can catch up on what has been happening through regular updates on their child's seesaw page.

Teacher Only Day Term 2 – Monday 24 April

Advanced warning that our school will be closed on Monday 24 April for a teacher only day. The following day is ANZAC Day meaning that Term Two will commence on Wednesday 26 April. This makes the term 1 holidays quite long as we finish on a Thursday due to Easter.

Healthy Active Learning Expo – Wednesday 29 March

Next week our school is one of ten taking part in an Expo with a focus on Health, Active Learning. Children from Year 4 will be involved with presenting our PMP programme on the day. The Expo takes place at the EA Networks

Check out the facebook page- Active Healthy Tamariki for more details

Proudly supporting the health of our community:

Centre.

Desks for Sale

We have school desks for sale. See the picture below for reference. We are asking \$10 per desk as we need to clear the hall of them as soon as possible.

These desks have come from our Year 5 and 6 classrooms and are suitable for children aged 8-12. All enquiries can be made to the office.
