

I'm a Little Teapot

I'm a little teapot,
Short and stout.
Here is my handle,
Here is my spout.
When I get all steamed up
Hear me shout,
Tip me over and
Pour me out!

Story Telling

In class we have been learning different Nursery Rhymes each week. Can you learn and practice 'I'm a little teapot' and put actions to it?

Maybe you could video it and share it to Seesaw. Could you draw some pictures to match the rhyme?

Useful websites.

Phonics

This fortnight we were learning about Cc Ll Ee, (previously learnt letters – d, m, a, p, t, o.) Check your child knows the sound each letter then pick from the following ideas to help us learn about these letters.

- Draw pictures that start with that letter
- Find objects around the house that begin with these letters
- Find pictures in books or magazines of these letters
- Use chalk or water and paint brushes to practice making the letters outside

Other ideas

Write 3 letter words for your child to tell you what they say. You can use any of the vowels (a, e, i, o, u) eg tug bug

Word chain activity. Pick a 3 letter word eg map ask your child how they can change map to cap then to cat then to cot then to not then to hot then to hat etc. You can start with any 3 letter word.

Pick a rhyming family and ask them to write / say as many words as they can from that family eg "ot" pot, hot, cot, shot or "at" hat, chat, fat, etc Other families could be "it" "et" "igh" "ay" etc

Writing Ideas

You could also keep a diary about what you have been doing at home

Draw a picture and either try writing your own sentence or get someone to write it for you.

Reading

Take some time out and read together.

- Afterwards can you retell the story?
- Can you share what was your favourite part?
- What picture did you like?

Maths

- Some ideas include:
- Practice counting forwards and backwards.
- Can you name the number that comes before and after?
- Can you write the numbers?
- Find objects of a given number around the home e.g. 6 stones 5 books.
